NJPA Announces National Contract Award to Becker Arena Products, Inc.

National Contract #081910-BAP: “Athletic and/or Recreational Related Surfaces to include, Athletic Equipment and Accessories” has been competitively bid and awarded to Becker Arena Product, Inc. Their products are now available to National Joint Powers Alliance® (NJPA) contract purchasing member agencies throughout the nation.

Staples, MN (October 21, 2010) – In response to a national, competitive bid, the National Joint Powers Alliance® (NJPA) has awarded Becker Arena Products, Inc. a contract for “Athletic and/or Recreational Related Surfaces to Include, Athletic Equipment and Accessories”. The contract was approved by the NJPA Board of Directors on October 21st and is available nationally to all NJPA member agencies.

“Becker Arena Products has an outstanding reputation for serving municipal agencies across the nation with manufactured and resale ice rink supplies and equipment,” said Mike Hajek, NJPA’s director of business development and marketing. “This contract is definitely going to be a one stop shop for NJPA member agencies that are in the ice rink industry with ice rink facilities needs. This contract is definitely the best way for NJPA members to purchase from Becker Arena Products.”

The NJPA contract enables government, education and non-profit agencies a purchasing solution that satisfies most agencies’ competitive bid requirements. The Becker Arena Products contract broadens the depth and breadth of competitively awarded products and services available to NJPA member agencies.

About Becker Arena Products, Inc.: Becker Arena Products, Inc. manufactures quality dasher boards for athletic and recreational facilities new construction or renovation projects.
