

CLEANING YOUR BOARDS

Becker Arena's Cleaning Solution

- Combine 1 part Blue Dash, 2 parts Citrosolve, 4 parts water
- Spray mixture on boards (allow time for mixture to loosen grime).
- Scrub with a brush or wipe vigorously with cloth until clean.
- NOTE: In-line pucks may not cause as dark of markings, reducing the need to clean as often.

- Cover new boards with Exceed Board Sealer (two coats are recommended).
- Apply with paint rollers
- Usage 1-2 gallons per 200'x85' rink (approx.)

Cleaning Acrylic

- Novus II and polishing cloths on a regular basis will remove light scratches and puck marks.
- Novus 1 - Anti-Static

Cleaning Tempered Glass

- Use any over-the-counter cleaner
- Use glass cleaner and a safety razor blade to remove puck marks
