RINK READY

*Everything You Need To Get Ready For Your
1st Season Start up & Every Season Thereafter!*

RINK READY SPRING OR FALL ICE INSTALLATION & MAINTENANCE PROGRAM

A bright sheet of ice, sharp new lines, fresh graphics and clean game nets are the perfect start to your new season. Becker Arena Products makes the pre-season ice installation easy with our Rink Ready Program. When you've got a clean start, nothing beats that first day back on the ice!

This Rink Ready Program Was Designed For You!

- New rinks preparing for their 1st season.
- Established arenas that take the ice out in the spring for summer maintenance or dry floor activities and start back up for summer or fall season ice programs.
- Small and large venue facilities.

One Call Does It All!

Becker Brand Products

Lumin' Ice Series Ice Painting Products NEW IMPROVED formulas for the entire Lumin'Ice product line including the white base coat powder (BASIC or PRO) and the liquid line and logo paint. You no longer have to mess with an additive with our powder PRO paint, all our brighteners are in the powder's pigment making this new formula an improvement of convenience and appearance.

Ultimate Series In-Ice Vinyl Products Becker Arena Products was first to market and still the preferred supplier for hockey vinyl line kits and curling vinyl house kits. Not all vinyl is the same so, ask for the Ultimate Brand for perfect lines every time and goal creases that install in 3 minutes!

Certified Series Game Goal Products Becker Arena Products' Certified Brand product line includes goals, nets and accessories for hockey or broomball, professional, practice, community and backyard. We keep up with all official organizations to be sure your game goals are built according to current rules and regulations and of course, are built with the top quality materials and craftsmanship.

Croxice Series Rink Dividers Kids need a sheet of ice that is better suited for their size. Dividing the rink in half or thirds lowers the cost of the sport for families and organizations while providing measurable revenue for the ice arena owner. Becker Arena Products' Croxice series rink divider pad or panel system can be made to fit any size rink.

Puckmark Eraser Brand Cleaning Sponge The newest GRIMEFIGHTER from Becker Arena Products. Cleans puck marks from the boards, walls and doors. Easy to use, requires only water. No fumes, gloves or harsh chemicals. Packaged 100 per case.

Feature Series Advertising Products This exclusive product line includes dasher board panel ads, ice resurfer ad wraps, banners and more. Selling advertising in your ice rink creates revenue for you and exposure to your patrons for local businesses. Feature brand advertising products are currently used in ice rinks all across the country and only available from Becker Arena Products.
